

SEMESTER SPRING : CLASS NUMBER 180A

Statement of Understanding Regarding Grading:

I (Full Name) Cale Smith Student ID 018322863

acknowledge that my grade on this class will be solely based on my performance on the assignments and exams given during the duration of the semester. There will be no special considerations given based on student personal situation, student coming from different backgrounds (i.e. students who come from EE and claim they have no background in programming), student immigration status (i.e. I will not be able to take enough credits next semester if I don't pass this class). If there is any personal situation that is not letting you focus on the class please talk to the department and discuss the possibility of an incomplete: this is the only way to address issues like this.
